

Green & Environmental Policy

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus.

C. V. Raman College of Engineering, Bhubaneswar always aims to eliminate or reduce all forms of environmental pollution and encourages for Go Green to all students, faculty members, staff members and others to do the same.

Every individual at C. V. Raman College of Engineering is expected to:

- ✓ Raises awareness of environmental issues among its staff/students/visitors and encourages initiatives leading towards a clean environment.
- ✓ Promote the 3 R's for waste in the following order: **Reduce, Reuse and Recycle** and provide convenient waste collection points and guidance for the disposal of:

- *Paper: by CVRCE Paper Recycle Unit*
- *Cardboard: by CVRCE Paper Recycle Unit*
- *Glass: Through authorised recycler*
- *Plastic: Through authorised recycler*
- *Electrical equipments: using hybrid (solar/wind) power systems in the campus.*
- *e-wastes: Through authorised recycler*
- *Minimizes the consumption of water and enhances ground water and recycle waste water by CVRCE Sewage Treatment Plant (STP).*
- *Adapt health, safety and environment based practice and reduces uses of chemical products.*

- ✓ An incinerator can be used to dispose to maintain clean and pollution free environment in Ladies Toilets.
- ✓ Make the college campus completely free from plastic bags and cups.
- ✓ Waste bins are placed at appropriate locations to maintain a clean and tidy campus.
- ✓ Green campus is maintained through adequate tree plantation by the college NSS Unit and the maintenance cell.
- ✓ Digital Library / E-Learning Centre: Use more readout material in soft form. Reduce the hard readout material. Use more of e-mail and ERP for officially communicating & Documentation the information needed, online reading etc and also recycle waste paper by CVRCE Paper Recycle Unit.
- ✓ Making all the necessary efforts to involve the students, faculty and staff in "Green Campus Initiatives" by designating the volunteers of NSS – Green Club by planting trees and awareness by "Nukkad" performance by the students.
